ENJOY TRUE NATURE LAPLAND

ENGLISH
AUTHENTICITY IS THE SPICE OF LIFE

When you view the world from the peak of a fell, things suddenly become a lot clearer. Mankind has an inherent desire to connect with the purity of nature. At Lapland Safaris, our job is to uphold this bond by letting people both experience and honour the local life of the North. Lapland invites you to become revitalised, joyful, and active. To wonder, relax, and overcome limits – either together or by yourself. With family, friends, or colleagues.

As a genuine Lappish family business, it is no coincidence that we have grown to become the largest provider of adventure activities in the Nordics. We put our hearts into everything we do, along with a strong emphasis on interpersonal encounters. Our passion is to provide diverse – even independent – ways to experience the true spirit of Lapland. The many services of Lapland Safaris are designed to cater to the needs of both first-timers and experienced travellers of the North. With us, you are guaranteed to feel the one and only nature of Lapland in exactly the pace and style you want to.

People do not need to add more hours in their day. What they do need is to remind their senses of the vital importance of living in the moment. Of breathing in the now. You are warmly welcome to Lapland.
