### CHILDREN:

The child prices apply to children between the ages of 4 and 14 years.

### MEETING POINTS FOR SAFARIS:

The meeting point will be confirmed upon reservation.

### GOOD TO KNOW:

Please advise any dietary requirements when making the booking. As weather can change quickly, it is good to have appropriate clothing with you in case of rain and wind. For hiking programmes, please wear shoes that give good ankle protection.

**Biking and hiking excursions** can be physically demanding and are therefore not suitable for children under 12 years unless program is especially designed for children. Note that for small children (under 20kg) we rent out child carriers.

### QUAD BIKES:

Quad bike safaris include thermal outfit, guide services in English, one quad bike for each guest, fuel, traffic insurance (maximum personal liability 980 €), maintenance and VAT. The driver of a quad bike has to be at least 18 years of age with a driving license valid in FINLAND.

### IMPORTANT NOTE ABOUT NATURAL PHENOMENA:

Please note that on the Arctic Circle, where Rovaniemi lies, the sun officially stays above the horizon for a full 24 hours on summer solstice, 21st or 22nd June. However, the Midnight Sun period in Rovaniemi lasts for a month, from 6th June to 7th July; this is due to the Earth's slightly tilted axis and refraction of sunlight. The nights are long and light well into August. Northern Lights are natural phenomena caused by solar wind and they cannot be guaranteed or predicted.

### GENERAL TERMS:

Safaris are subject to change due to weather conditions. As a responsible safari organizer, Lapland Safaris AC Oy reserves the right to change the routing, pricing and the duration of the excursions without prior notice. Lapland Safaris AC Oy reserves the right to interrupt a safari if a participant is seen as a potential danger to him/herself or to others or is in poor health. Pre-paid safaris will not be refunded. If the programme requires special arrangements (e.g. additional transport), the extra costs will not be covered by Lapland Safaris AC Oy.
